UNITED STATES GOVERNMENT

TO : MEMORANDUM FOR THE RECORD

DATE: 14 October 1952

FROM : General Counsel

SUBJECT: Items for the Daily Log - 14 October (Tuesday)

3. At the request of Dr. Darling I talked to Admiral Hillenkotter about interviewing Dr. Darling in connection with his history project. Admiral Hillenkotter said he would be delighted to give whatever help he would be able to provide. Admiral Hillenkotter said that in 1949 he had written a letter to Chief of Naval Communications about a Commander [] and the subject matter of this letter had come up in connection with some current proceedings and asked me to refresh his recollection on what the facts were. [] COMMO gave me some of the background, and I will write Admiral Hillenkotter when I can locate the letter he signed in 1949.
